

British and Modern History Timeline

Additional options

Indoors or Outdoors

Available as a flexible PVC banner with eyelets for inside or as a series of weather proof rigid aluminium plates for outside.

Both versions can also be customised to include local history events, making each timeline unique.

Such local events as: the year the school opened, an anniversary, when a special event occurred, when a cup was won or the school was awarded a particular status. The children's work could also be included.

This is arranged by obtaining the artwork direct from the school and creating each double sized plate, as shown below, which replaces the single plate.

Sizes : Total length : 890cm x 21cm. (supplied as 8 strips which butt together)
